Dear Parents,

VIOLIN ASSEMBLY

As you are aware, the violin tuition from Berkshire Maestros comes to an end at half-term. You are therefore invited to attend an assembly on **Wednesday 10th February at 9am** so that you can see what the children have been learning.

Please note that any violins that have been hired for practise at home must be returned to school by Monday 8th February.

If your child would like to continue to learn the violin, Berkshire Maestros are able to provide individual/group lessons. Further information about this will be sent home in the near future.

Best wishes,

Wendy Hudson
Music Coordinator
