

23rd September 2016

Dear Parents,

Maths Curriculum Evening

On Monday 3rd October we will be holding a Maths Curriculum Evening from 6:30pm to 7:45pm.

The evening will be an opportunity for you to learn more about maths teaching at our school. An introduction by Mr Fenton will be followed by a carousel of three workshops looking at the school's calculation policy, MyMaths online resources and maths games and challenges.

Children are welcome to attend the evening with their parents.

If you would like to attend, please return the slip below to the school office by Thursday 29th September.

We look forward to seeing as many of you, on the evening, as possible.

Yours sincerely,

Mr. Richard Thomas
Acting Deputy Head Teacher & Maths Subject Leader
