Welcome to Year 3

Welcome to Emmbrook Junior School and Year 3! The summer holidays are now just a happy memory but we're glad to be back at school and keen to start getting into a good daily routine. It's been a great start to see so many cheerful, smart children in the correct uniform – let's keep it up!

We are fresh and ready for an action packed Autumn term, with our topic called 'WE WILL ROCK YOU!' During this term we will be learning all about the changes in Britain from the Stone Age to the Iron Age. We will delve into volcanoes and examine rocks, looking at fossils along the way. We will also attempt to make a reproduction of Stonehenge; so get your empty boxes and cereal packets ready! We already have an exciting trip planned to Reading Museum for a Stone Age experience. Look out for a letter in the near future.

If you have any questions or queries please don't hesitate to ask, we're always happy to help. We warmly welcome the involvement of the whole school community too, so if you have an interest or expertise, or even some exciting artefacts or photos linked to our topics to share, please speak with your child's teacher.

Here's to a fantastic year ahead for 3 Larch and 3 Ash!

Reminders

SPELLINGS

- The school uses the Ruth Miskin Read, Write Inc. scheme. Spelling sessions take place once per week for an hour. Children are encouraged to write any spellings they are unsure of into their red spelling book for practice and improvement. If you have any problems regarding spellings, please contact your child's class teacher in the first instance. There will no longer be a spelling test each week; spellings will be monitored in all lessons. You will receive a list of words which you can encourage your child to learn.

READING

- Reading is such an important part of a child's life. It is essential that children read at home regularly (either with or without an adult). Each child, therefore, is asked to read for a **minimum of 10 minutes per day**. This can be a book (or alternative text such as magazine or newspaper) of their choice or the texts which are brought home from school (or both!). Each child will have at least 2 books that they will bring home each day in their reading folder. One book will be from the Emmbrook Scheme and one will be from the KS2 Oxford Reading Tree Scheme.
- We would like to encourage you to read with your child and discuss the text that they are reading. We will provide questions and prompts to aid this.
- Either you or your child can add information to the Reading Record (details of each reading session per day). However, please sign your child's Reading Record **at least once per week** to confirm what they are reading and how often. You can also write questions and comments which the teacher will respond to in due course.

KNOWING NUMBER FACTS

- This term, we will be continuing with the weekly 'Knowing Number Facts' tests. Children are given a set of number facts to learn each week and their attainment is recorded on a class chart. Please support the children in learning these at home. New facts will be issued for testing the following week.

HOME LEARNING

- Children will be set a MyMaths task and reading comprehension activity each **Thursday** for homework. Please sign your child's homework feedback sheet in the front of their homework book and comments are welcomed. Later in the term, the children will also be receiving their Topic Grid.

COMMUNICATION BETWEEN PARENTS AND TEACHERS

There are a number of ways in which you can communicate with your child's teacher. These include:

- Face to face meeting on the playground at the end of the school day.
- Appointment made by contacting the school office.
- Comment in reading record
- Comment on parent feedback sheet in homework book
- Emailing the teacher (teacher's email addresses are available on the school website)

Please note, urgent information must always be telephoned to the school office.

LIBRARY BOOKS (Non-Fiction)

- Children are allowed to select their own book although advice is given if a book seems unsuitable. Please encourage your child to look after their library book. There will be a charge if the book is lost.

PENCIL CASES

- In each classroom, essential stationery is provided for the use of pupils. We therefore ask that pencil cases brought in from home are small enough to fit into your child's tray for easy storage and that they contain only a spare pencil, handwriting pen, rubber and sharpener.

WATER BOTTLES

- Children are expected to bring a small, named bottle of water into school. However, we must stress this can be water only and any bottles must be taken home daily for reasons of hygiene. Please bring in the filled bottle each morning.

P.E. KIT

- Fully labelled kit must be brought into school in a suitably named bag on a Monday. It will then be left in school all week and taken home on a Friday for washing. Year 3 PE slots are on **Monday** and **Wednesday** afternoons. Children should have their kit in school every day as there may be additional PE slots during the week.

SUNNY WEATHER

- In sunny weather, children are permitted to bring a suitable hat to wear when they are outside.
- Due to health and safety reasons, sunscreen should not be brought into school. There are many all-day sunscreens available which we would advise you to apply to your child before they come to school.
