

# Times Table Challenge

Times Table Master Award

Dear Children,

You are working on towards your Times Table Master Award. You need to beat his time, which is 13 minutes and 12 seconds. This is equivalent to 3 seconds per question. It is very important that you practise these as often as you can to improve your speed and accuracy.

Each week, you will be tested on these.

How quickly can you answer all 276 calculations?

Tips to help you learn your times tables:

- Chant each times table out loud: 'Four times two is eight'
- Make a rhyme
- Can you do it backwards, starting with  $12 \times$ ?
- Ask someone to test you in a random order.

Good Luck!

## Times Table challenge Award

Can you complete all of the multiplication and division calculations in these challenges?

Each challenge covers 2 pages. The first tests the multiplication facts, the second page the divisions Good Luck!
