Subject choices

After processing applications, we will generate option blocks for subjects in order to satisfy the majority of requests. Those students wishing to study FURTHER MATHS need only select this as one subject option (equivalent to A Level Mathematics and A Level Further Mathematics).

Courses will be confirmed subject to student numbers and staff availability.

Chosen subjects will be finalised at the process of enrolment in the summer and are on the condition that you have met the entry requirements for the subject. Students may start with four subjects and this can be discussed at enrolment.

Subject 1	Subject 2	Subject 3

As Ranelagh is a Church of England school we ask that all applicants are comfortable with the Christian ethos of the school.
