

OUTDOOR PURSUITS FOR THE DEVELOPMENT OF YOUNG PEOPLE

23rd – 27th September, 2024

Why go away and do outdoor pursuits?

Every child benefits enormously from the course, especially children who are not necessarily academic or sporty.

- Education outside the classroom
- Develop an inner confidence
- Personal achievement
- Develop self esteem
- Develop social skills
- Develop team building skills
- Experience new / exciting outdoor pursuits
- Learn respect for others

A young boy is climbing a tire swing in a forest. He is wearing a black hoodie with orange accents, black pants, and an orange helmet with 'BT 2' written on it. He is holding onto a chain with his right hand and a rope with his left hand. The background is a dense forest with green foliage and tree trunks.

CHALLENGING

We experienced personal successes such as overcoming a fear of heights or going on the zip wire. I was so proud of myself.

EXCITING

If I had to describe my
Manor Adventure
week in a single word
it would be
EXHILERATING!

An indoor rock climbing wall with two climbers. The climber on the left is wearing a pink hoodie, white pants, and a red helmet, and is seen from behind. The climber on the right is wearing a white t-shirt, dark pants, and a red helmet, and is also seen from behind. The wall is grey with numerous colorful climbing holds in red, blue, green, and yellow. Two ropes are visible, one for each climber.

DEMANDING

It keeps us very active
for the week as there
are so many activities!
There really isn't time
to feel homesick.

CONQUOR FEARS

Manor staff, school staff and our friends all encourage us to be courageous and have a go!

EXPERIENCING THE UNKNOWN

We tried things we'd never done before like raft-building, rifle shooting and caving. It was so fun!

A group of children wearing red helmets are participating in a rope bridge activity in a wooded area. They are holding onto thick ropes and standing on a wooden plank bridge. The background shows lush green trees and foliage.

AWAY FROM SECURITY OF MUM AND DAD

The dorms are really comfortable and I loved sharing a room with my friends. We won the tidy dorm competition!

What if my child stays at school?

There are a handful of children who do not go to Manor Adventure each year for various reasons.

Those that stay behind take part in a week of extra-curricular activities at school however we cannot replicate the benefits of an experience of spending five days at a residential outwards pursuits centre.

Examples include:

Visit to the local park

Bowling

Movie afternoon

Cooking

Martial Arts

Extra sport

Gardening

Art

Craft

There is a cost for these activities of approximately £25 per child.
