

Going to the Toilet

When I go to the toilet I will try to remember to shut the toilet door.

It is polite to do this. This is because other people do not want to see me going to the toilet.

When I have finished I will try to remember to flush the toilet.

I will then try to remember to wash my hands with warm, soapy water. This is to make sure that my hands are clean. I will try to remember to dry my hands.

I will try to remember to do these things every time I go to the toilet.
